THINK @ Home

Welcome to THINK!

Welcome to the THINK website! We are glad you have located us and hope that we can help you on your journey of home education.

Teaching Homes In Northern Kentucky (THINK) is a consortium of families representing the northern-most counties of Kentucky who have chosen home education for all or some of their children. Since its founding, THINK remains a Christ-centered organization that holds to the belief that home education is a calling by God and reflects the discipleship that the Word of God commands parents to provide their children.

Operating like a not-for-profit, while not officially incorporated, THINK is guided by a Board of Advisors made up of a Chair family and 4 other families representing different parts of Northern Kentucky. The organization does not collect membership dues, but hosts an annual fundraiser to cover expenses.

Again, we welcome you to thinkathome.com. Please let us know if you like the site and visit us as often as you can.
